

Come and get our sourdough bread fresh out of the oven! Baked every day.

Here in FACH, we think that a good loaf of bread doesn't need all that much. In fact, all it needs is high quality flour, water and salt. We let the generations-old recipe, sourdough, the skillful hands of our bakers and an oven heated up to 270°C do their magic to craft a delicious bread just how we like it. With a thick and crunchy crust.
