

FACH

A place where history is being written

FACH Bratislava — Presentation of the venue

**Fach Bratislava**  
Ventúrska ulica 10, Mozartov dom  
Bratislava I.

FACH is located directly in the heart of Bratislava's Old town in an 18th century palace called Mozart's House. It is a place where the famous past meets the contemporary. It is a place where the history was written. **And now it can be yours.**

Our venue offers multiple attractive possibilities of space and purpose:

---

**Bread & Coffee (casual Café)**

---

**Restaurant & Bar with a marvellous covered courtyard**  
(special without being posh)

## Bread & Coffee

Bread & Coffee is a casual corner café — and it's a place that will enchant you on the first sight. It is very flexible in terms of space and its division and thus lets you divide your event into more or less separate areas or you can use the space as a whole.

It combines the state of the art technology — wifi, SONOS sound system and designer lighting with the sophisticated, simple interior and a special flair.

Explore our signature catering provided by our dedicated team lead by Lukas Hesko (trained at Michelin star restaurants Gastrologik and Mathias Dahlgren)

Where the Bread & Coffee ends, the Restaurant begins. It's a place unlike any other and one you simply wouldn't expect in the centre of Bratislava. The courtyard covered with a glass ceiling is a garden of its own — a tranquil hideaway offering a **somewhat different experience**.

The captivating atmosphere of the restaurant grants your event a **touch of exclusivity and privilege**. Imagine your event right here — among the evergreen trees, clean and warm walls — far from the mediocrity of common restaurants in the city. In here, you and your guests are the centre of our Executive chef's universe. Mr. Hesko will pamper you with food and drinks he creates with the greatest attention to detail.
